The Ohio State University
College of the Arts and Sciences Concurrence Form

The purpose of this form is to provide a simple system of obtaining departmental reactions to course requests. **An e-mail may be substituted for this form.**

An academic unit initiating a request should complete Section A of this form and send a copy of the form, course request, and syllabus to each of the academic units that might have related interests in the course. Initiating units should be allowed two weeks to respond.

Academic units receiving this form should respond to Section B and return the form to the initiating unit. Overlap of course content and other problems should be resolved by the academic units before this form and all other accompanying documentation may be forwarded to the Office of Academic Affairs.

This course looks like a nice addition to the curriculum.

We believe there is an increasing interest in health-care management courses among undergraduate students (http://www.thedp.com/article/2014/04/health-care-management-applicant-increase) and this course will directly address this. We can definitely see an interest on the part of our students in taking this course, especially if it is part of the Economics minor.
