

Notes

Music 341, course change request (from a previous meeting: revised syllabus attached)

- Class days/times and instructor info is not included in the syllabus
- Credit hour information is also missing
- See the last paper of the syllabus, needs some grammatical corrections in line 3.

Music 348, new course request

- Confusions in the title: ‘Music on the move’ sounds confusing; also description is not very clear.
- Lack of Consistency in the reference list- citations need reformatting
- Will come back to the committee.

Theatre 580, new course request (from a previous meeting)

- What’s in the course beyond the technical issues?
- Sounds very technical/ more discussion is asked on what role these technical is
- In 500 level course there needs to be more than the technical knowledge – course number can be lowered.
