College of Mathematical and Physical Sciences
Curriculum Committee
March 2, 2005, 8:30 – 10:00 a.m.
425 Stillman Hall

Minutes

Present: Parson, Ausich, Clemens, Weinberg, Verducci, Andereck, Lando, Van Woerkom

Statistics 145, course change request
Change prerequisites to add placement level M
Approved

Graduate Curriculum Revisions, Physical Chemistry Division
Chemistry 775, new course request
Introduction to Thermodynamics and Kinetics
Chemistry 876, new course request
Chemical Dynamics
Chemistry 880, new course request
Statistical Thermodynamics
Chemistry 875, course withdrawal request
Chemical Kinetics I
Chemistry 881, course withdrawal request
Thermodynamics I
Chemistry 882, course withdrawal request
Statistical Thermodynamics
Approved, with Chemistry 876 resubmitted as a course change

Discussion of the current status of each major program's assessment plan
Each unit outlined current assessment plans. Dave Andereck disseminated information from Alexis Collier and reviewed how plans for assessment are to be submitted.

Continuing Education transfer requirements
Proposed transfer requirements from CED to MAPS are:
2 of the following courses taken at Ohio State with a minimum of a 2.3 GPA: Astronomy 291, 292, Chemistry 121, 122, Physics 131, 132, Math 150, 151, Geological Sciences 121, 122 and a cumulative 2.0 GPA
