

## **Agenda**

Psychology 644, course change request

To increase the credit hours of Behavioral Endocrinology from 3 to 4

Psychology 389, new course request (from the 1-12-05 meeting)

Career Exploration in Psychology

Economics 489, new course request

Economics of Crime

Economics 482, new course request

Women in the Workforce

Geography 608, course change request

To change the description of South Africa: Society and Space

Communication 900, new course request

Communication Colloquium

Note: The course was originally submitted as a course change request to Jcom 899 in February 2003. It was determined that a colloquium is an inappropriate use of an 899 number, which is reserved for seminars. The original paperwork is included in the packet.

Communication 645, new course request

Strategic Media Planning

Communication revision to the undergraduate major

Feedback on the proposal is requested
