Updates from the Chair and the Curriculum Office

- CCI retreat will be held on Tuesday, September 20th, 2005
- Revision to Geological Sciences – this was mostly housekeeping changes. It was approved by the MAPS Curriculum Committee and Subcommittee C and will be forwarded to OAA.
- Revision to the Japanese Major Program – housekeeping changes to convert alphabetical suffixes to decimals. It was approved by the Humanities Curriculum Committee and Subcommittee B and will be forwarded to OAA.
- The BS-CIS program revision was very simple and allows students to construct options now. It was approved by the MAPS Curriculum Committee and Subcommittee C and will be forwarded to OAA.

Standards for Satisfactory Academic Progress was presented by Martha Garland, Vice Provost and Dean for Undergraduate Studies.

The CCI will be reviewing the template over the next year. It has been a model for the college 4-year degree programs.

Randy Smith, Vice Provost for Curriculum and Instructional Relations and Tom Schriener, Associate Director, Office of Admissions and First-Year Experience discussed Ohio State's Transfer Module.

The CCI will be reviewing the Transfer Module next year.
