Dear ASC Curriculum Committee Members:

Since today's ASCC meeting was cancelled, I am notifying everyone via e-mail of the courses recently approved by the Panels.

Reminder: Once courses are approved by a Panel (fully approved or approved with contingency), these courses move to ASCC for information purposes and possible comments. Members of the full ASCC have the opportunity to bring up any important issues (e.g., concurrence issues) that might have been overlooked. ASCC does not, strictly speaking, vote on these courses, but members are encouraged to make any remaining issues known before the courses move on to OAA. Below you will find the approved courses organized by panels. Please look over the materials. If everything is OK, then you do not need to reply to this e-mail. If you wish to make any comments, please do so by the end of business day.
