

ASCC Social and Behavioral Sciences Subcommittee

Approved Minutes

February 24th, 2025

E-Vote

1. Approval of 2/10/25 minutes
 - a. Unanimously approved.
2. Sociology 2111 (new course)
 - a. *Recommendation:* The Subcommittee offers the friendly recommendation that it might be more equitable and efficient for the instructor to provide blue books or other standardized exam materials rather than requiring students to bring blank paper to class. [Syllabus p. 4]
 - b. *Recommendation:* The Subcommittee recommends that the department use the most recent version of the university's diversity statement if they wish to keep it in the syllabus. The updated statement can be found in an easy to copy/paste format on the [Arts and Sciences Curriculum and Assessment Services website](#). [Syllabus pp. 8-9]
 - c. *Recommendation:* The Subcommittee recommends that the department use the most recent version of the Student Life Disability Services Statement, which was updated in summer of 2024. The updated statement can be found in an easy to copy/paste format on the [Arts and Sciences Curriculum and Assessment Services website](#). [Syllabus pp. 9-10]
 - d. Unanimously approved with *three recommendations*.
