		<b>46-60</b>	<b>Total Units</b>

- Social Science categories to remain as:  
Individuals and Groups  
Organizations and Polities  
Human, Natural, and Economic Resources

° Both Open-option courses can be selected from any of the following:

- |                            |  |
|----------------------------|--|
| Another course 2-12 or 15  | Can be used for double major               |
| Service-learning course    | Aligned with GE goals, Can be in major     |
| Cross-Disciplinary seminar | 597 successor & new                        |
| Education abroad           | Can fulfill up to 6 units, Can be in major |

**"0 Count" within above**

1 Course	Social Diversity in US	Social Diversity successors
2 Courses	Global Studies	Non-Western Global and Western (non-US) successors

**Percentage of 121 units without Language 38%**  
**Percentage of 121 units with Language 50%**

**General Notes**

GE courses cannot be counted in the major unless otherwise noted  
 Upper-division courses from an equivalent area can be substituted automatically by an advisor  
 Careful selection of the Open-Option courses provides an excellent foundation for a Minor
