1. Provide the rationale for proposing this course:

**Because the course deals with pedagogic and professional issues centered on the teaching of introductory art history surveys, it constitutes an important aspect of graduate training in the program. This course has been taught for three consecutive years as an independent group tutorial (893) to see whether it would be beneficial and constructive for addressing the teaching concerns of Graduate Associates. Even though it does not count toward the degree, the course has made a significant difference in preparing our graduate students for a future in the profession.**
