

The Ohio State University
Colleges of the Arts and Sciences Concurrence Form

The purpose of this form is to provide a simple system of obtaining departmental reactions to course requests. A letter may be substituted for this form.

An academic unit initiating a request should complete Section A of this form and send a copy of the form, course request, and syllabus to each of the academic units that might have related interests in the course. Initiating units should be allowed two weeks for responses.

Academic units receiving this form should respond to Section B and return the form to the initiating unit. Overlap of course content and other problems should be resolved by the academic units before this form and all other accompanying documentation may be forwarded to the Office of Academic Affairs.

B. Information from the academic unit *reviewing* the request should include a reaction to the proposal, including a statement of support or non-support (continued on the back of this form or a separate sheet, if necessary).

The Undergraduate Studies Committee of Spanish & Portuguese supports this course fully. The syllabus is strong and the intellectual foundations of the course are excellent. It may be that some weeks, the readings could be too heavy, but this can be worked out by the instructor as she does the course. We would like to see a specific number assigned to the course and would have preferred that this would have been done prior to circulating it to other departments, but this is essentially a bureaucratic detail that does not affect our judgment of the course.
