Academic units receiving this form should respond to Section B and return the form to the initiating unit. Overlap of course content and other problems should be resolved by the academic units before this form and all other accompanying documentation may be forwarded to the Office of Academic Affairs.

Linguistics fully supports this new course proposal. Psycholinguistics is a thriving area of study at OSU. The proposed course not only strengthens the existing curricula in Linguistics and other departments, it offers students the opportunity for in depth study of topics in psycholinguistics as they relate to their interests in Spanish and Portuguese.
