State the need and purpose of the course. Indicate how the course relates to the primary goals of the academic unit/school/college/university.

The theatre industry, as with most others, has trended towards a digital format as the preferred means of communication. Students are expected to be competent with the software and skills taught in this class to be competitive in the profession.

Indicate the nature of the program adjustments, new funding, and/or withdrawals that make possible the implementation of this new course. Evidence must be given of whether the budget support will come from reallocation of existing resources or from new program funds.

Course is co-taught by faculty and professional staff and fits within the expected annual course load for both as a team-taught course.

Is approval of this request contingent upon the approval of other course or curricular requests? Yes No
