Department of Psychology  
The Ohio State University

Dear Giff:

The Department of Philosophy strongly supports the proposed change in Philosophy 612 (Psychology 612) from 3 to 5 credit hours. As it has been for you, this course has been a credit-hour anomaly in our curriculum. I do not know the history that produced this anomaly, but I'm pleased that the Department of Psychology is set about to correct it. The level and amount of work required in the course certainly merit 5 credit hours.

Best Wishes,
