Columbus, OH 43210-1373

From:
Janet Box-Steffensmeier, Field Chair for Political Methodology

Date: 5-27-08

Re: Number change from 585 to 485

The Political Methodology field met in the Spring to consider changing 585 to 485. The motivation behind the change is that we feel the content is better reflected as a 400 level course. With appropriate numbering, students will be able to make better course selection.
