Yes, GEC arts and hums, VPA course

NA

4. Have these changes been discussed with academic units that might have a jurisdictional interest in the subject matter? Attach relevant letters.
NA

That Art 300.01 be approved, same class but with film cameras

No content change. We are simply responding to the world wide transition to digital photography by making some sections of our beginning photogarhy class use a digital instead of film camera. To assure a good learning circumstance for beginning photography we have found that separating the film from digital camera students is important.

none

8. If the proposed change involves budgetary adjustments, describe the method of funding:
none
