Dear Kate,

Please find enclosed two course change request forms. One is for reducing the number of credit hours in Ling800, a seminar course, from 03 to 02. This course meets for 2 hours each week and the requirements are in line with 02 credit hours. The syllabus is also enclosed. The other change request is for changing the option to take Ling685, a sociolinguistics class, from 03 or 05 to only 05 credit hours. Originally, many years ago, this course could be taken for 03 credit hours if students wished to have less demanding requirements. At this time, the course requires all students to complete requirements for a 05 credit hour course. The syllabus for this course is also enclosed.

Please let me know if you require additional information or if you have any questions.

Best regards,
