State the need and purpose of the course. Indicate how the course relates to the primary goals of the academic unit/school/college/university.

Part of the Professional Pathways program, the seminar is designed to meet a recognized need for more opportunities for students to explore graduate and professional post-secondary opportunities, as well as the myriad of occupational options. These seminars provide information for majors and non-majors to explore the professional issues and options within or across disciplines.

Indicate the nature of the program adjustments, new funding, and/or withdrawals that make possible the implementation of this new course. Evidence must be given of whether the budget support will come from reallocation of existing resources or from new program funds.

No new funding needed.

Is approval of this request contingent upon the approval of other course or curricular requests? Yes No
