State the need and purpose of the course. Indicate how the course relates to the primary goals of the academic unit/school/college/university.

Students completing ASL as a foreign language have requested courses exploring deaf language and culture. This course is the beginnings of the development of curricula to meet this need.

Indicate the nature of the program adjustments, new funding, and/or withdrawals that make possible the implementation of this new course. Evidence must be given of whether the budget support will come from reallocation of existing resources or from new program funds.

An adjustment of faculty and lecturer teaching assignments will allow for the course. Funds generated by the course will go to supporting the ASL program.

Is approval of this request contingent upon the approval of other course or curricular requests? Yes No
