State the need and purpose of the course. Indicate how the course relates to the primary goals of the academic unit/school/college/university.

The internship will allow for students completing the minor or GIS in Disability Studies to apply the theories learned in the classroom to real world situations. The internship will also strengthen the Disability Studies program's relationship with community disability related organizations.

Indicate the nature of the program adjustments, new funding, and/or withdrawals that make possible the implementation of this new course. Evidence must be given of whether the budget support will come from reallocation of existing resources or from new program funds.

No new funds are needed.

Is approval of this request contingent upon the approval of other course or curricular requests? Yes No
