State the need and purpose of the course. Indicate how the course relates to the primary goals of the academic unit/school/college/university.

Python, the language taught, is widely used in such research but is not a language taught in existing computer prog. courses at OSU. No existing course provides an introduction to prog. suitable for psych research that is accesible to psych student who lack extensive prior exposure tocomputer prog. This will benefit both grad & undergrads preparing for grad study in psych

Indicate the nature of the program adjustments, new funding, and/or withdrawals that make possible the implementation of this new course. Evidence must be given of whether the budget support will come from reallocation of existing resources or from new program funds.

No adjustments are necessary - the course can be accomodated as part of a recently hired faculty member's regular teaching load.

Is approval of this request contingent upon the approval of other course or curricular requests?  Yes  No

Please complete and attach the form(s) on the following page before completing the package.
