SUBJECT: Proposals for two new courses

Please find enclosed proposals for two new courses. One is titled: "Black Feminist Pedagogical Theories in Teaching and Learning" (suggested course number T&L 929) and the other is titled "Urban Teaching and Learning" (suggest course number T&L 559)

The School of Teaching and Learning Graduate Studies Committee reviewed these courses. Both courses were sent out for blind review to two scholars familiar with the academic content matter represented in these courses. They provided formative and summative evaluations. Based on their reviews and on its own review and discussion, the School of Teaching and Learning Graduate Studies Committee unanimously approved both courses.

Rebecca Kantor, Director of the School of Teaching and Learning has signed-off on the courses as well.

If you have any questions about these courses, please contact me at bloome.1@osu.edu or at 292-0711.
