A General Elective

State the need and purpose of the course. Indicate how the course relates to the primary goals of the academic unit/school/college/university.

The University has encouraged units to offer service learning coursework. This course takes advantage of the urban location of OSU and the experience of Professor Price-Spratlen to offer students a new opportunity to learn how to organize at the community level.

Indicate the nature of the program adjustments, new funding, and/or withdrawals that make possible the implementation of this new course. Evidence must be given of whether the budget support will come from reallocation of existing resources or from new program funds.
