Indicate the nature of the program adjustments, new funding, and/or withdrawals that make possible the implementation of this new course. Evidence must be given of whether the budget support will come from reallocation of existing resources or from new program funds.

No new funding or withdrawals are needed to make possible this change from 10-15 maximum credits for this repeatable topics course.

Purpose of the proposed change

The number of majors and minors in Portuguese has increased in recent years, and we are attracting more Spanish grad students into our Grad/Undergrad Portuguese 750. To meet demand in both U and G (which we can absorb due to increased faculty in Portuguese), we plan to offer this topics course up to 3 times in a given year. With this change, G and U students will be able to take advantage of this.

Proposed change impacts course contents?

Describe the method of funding if the proposed changes involves budgetary adjustments
