State the need and purpose of the course. Indicate how the course relates to the primary goals of the academic unit/school/college/university.

This course will serve as the required core course for the newly proposed Environmental Citizenship minor (an interdisciplinary minor being proposed by the Arts and Sciences). It provides interdisciplinary perspectives for understanding environmental issues and interdisciplinary tools for solving these problems.

Indicate the nature of the program adjustments, new funding, and/or withdrawals that make possible the implementation of this new course. Evidence must be given of whether the budget support will come from reallocation of existing resources or from new program funds.

This course will be taught by current faculty members in the department of Geography. No new funding is required.

Is approval of this request contingent upon the approval of other course or curricular requests? Yes No

Please complete and attach the form(s) on the following page before completing the package.
