A General Elective

State the need and purpose of the course. Indicate how the course relates to the primary goals of the academic unit/school/college/university.

Portuguese currently has few GEC offerings. In order for our unit, recently expanded from 2 to 6 faculty members, to better contribute to the A&S general education curriculum, the Portuguese faculty is concurrently proposing six new courses at different levels and corresponding to different GEC categories.

Indicate the nature of the program adjustments, new funding, and/or withdrawals that make possible the implementation of this new course. Evidence must be given of whether the budget support will come from reallocation of existing resources or from new program funds.

Portuguese faculty recently expanded from 2 to 6 members.

Is approval of this request contingent upon the approval of other course or curricular requests? Yes No
