State the need and purpose of the course. Indicate how the course relates to the primary goals of the academic unit/school/college/university.

Afghanistan is an extraordinarily important geo-political zone, but Afghan history and society remain poorly misunderstood. This course will offer our students a unique opportunity to learn about these issues, and the conflicts devastating the country today.

Indicate the nature of the program adjustments, new funding, and/or withdrawals that make possible the implementation of this new course. Evidence must be given of whether the budget support will come from reallocation of existing resources or from new program funds.

The faculty member who is submitting this proposal is new to osu, and occupying a new line in central Asian history.

Is approval of this request contingent upon the approval of other course or curricular requests? Yes No
