State the need and purpose of the course. Indicate how the course relates to the primary goals of the academic unit/school/college/university.

We do not currently have any existing individualized courses in Spanish.Student interest and the course content of Spanish 240 are adaptable to the II format without compromising the course objectives or outcomes.This will be the first in a series of II course to be proposed and taught in Spanish.

Indicate the nature of the program adjustments, new funding, and/or withdrawals that make possible the implementation of this new course. Evidence must be given of whether the budget support will come from reallocation of existing resources or from new program funds.

The proposed Spanish 240 II will be offered using existing resources. The current course is offered on a regular basis, however, student interest and the enrollment data indicate that offering the course on an individualized basis will enable us to maximize current resources. The format for this course will mirror the already existing Portuguese II program.
