State the need and purpose of the course. Indicate how the course relates to the primary goals of the academic unit/school/college/university.

See rationale in attached syllabus.

Indicate the nature of the program adjustments, new funding, and/or withdrawals that make possible the implementation of this new course. Evidence must be given of whether the budget support will come from reallocation of existing resources or from new program funds.

This course will be offered in rotation with 400- and 600-level courses in the context of a revised Arabic major program description to be proposed next year; thus budget support will come from reallocation of existing resources.

Is approval of this request contingent upon the approval of other course or curricular requests?   ◯ Yes ◉ No
