A General Elective

Indicate the nature of the program adjustments, new funding, and/or withdrawals that make possible the implementation of this new course. Evidence must be given of whether the budget support will come from reallocation of existing resources or from new program funds.

Add Earth Sci 105 to list of courses that can be used as prerequisite course for 203; no budgetary implications.

Is approval of this request contingent upon the approval of other course or curricular requests? Yes No

Describe any changes in library, equipment, or teaching aids needed

None.

Purpose of the proposed change

Add Earth Sci 105 to list of courses that can be used as prerequisite for 203. Earth Sci 105 - Earth Sci 203 already is an approved GEC sequence; this change establishes consistency between GEC sequences and the options for the prerequisite course.

Proposed change impacts course contents?

Describe the method of funding if the proposed changes involves budgetary adjustments

Not applicable.

Please complete and attach the form(s) on the following page before completing the package.
