Hi Kevin,

We were just reviewing the paperwork for Geography 450, and on the GEC form, it is requesting three separate categories:

- Social Science, Organizations and Politics
- Diversity, International Issues
- Historical Survey

The Historical Survey category requires a two-course sequence. Is there intent to form another course or to pair this course up with a second course or should we remove Historical Survey from consideration?

No. You had better delete it. Too bad. It has a strong historical component. But thanks for drawing my attention to that.

Kevin

Thanks,
Jan
