A General Elective
State the need and purpose of the course. Indicate how the course relates to the primary goals of the academic unit/school/college/university.
Course provides non majors with an opportunity to receive applied lessons and meets university goals by broadening the selection of courses available to undergraduates.
Indicate the nature of the program adjustments, new funding, and/or withdrawals that make possible the implementation of this new course. Evidence must be given of whether the budget support will come from reallocation of existing resources or from new program funds.
