### General Information

Course time less than 1 full term

State the need and purpose of the course. Indicate how the course relates to the primary goals of the academic

unit/school/college/university.

In this course, students interested in the dairy industry become citizens of the world by gaining understanding of an economically important agricultural industry in two different cultures. The rich history of dairy farming in the Netherlands becomes present in the US with relocation of Dutch farmers to North America. Through this course, students gain valuable knowledge of a different culture.
