State the need and purpose of the course. Indicate how the course relates to the primary goals of the academic unit/school/college/university.

Film Studies does not currently have the ability to offer its high-achieving majors the option of graduating with distinction unless they can justify pursuing part of their research under the auspices of another department that has an H783. We wish to encourage our best students to pursue more film studies research, and this course will fulfill that need.

Indicate the nature of the program adjustments, new funding, and/or withdrawals that make possible the implementation of this new course. Evidence must be given of whether the budget support will come from reallocation of existing resources or from new program funds.

None.
