

Melissa Soave:

We would like to appeal the offering of AEE 342 for Winter quarter. The course is going to be taught no matter what and we have requested that it be a social science effective Winter 2010. The request for converting it to a Social Science was initiated in the late summer but the CFAES College Committee on Academic Affairs had its first meeting on October 7. It was approved that day and sent forward the next day. If the Colleges of the Arts and Sciences approves it for GEC status before the start of Winter, since it is already listed to be taught, we would like to just implement it as a GEC Social Science. If not, it can be changed to be effective Spring 2010. Thank you for your consideration.

Sincerely,

*Jill A. Pfister*
