State the need and purpose of the course. Indicate how the course relates to the primary goals of the academic
unit/school/college/university.

Its goal is to develop writing and presentational skills specific to the intelligence and foreign policy communities, skills which are currently not widely available in second writing courses and to prepare students for a wider range of careers by cultivating a non-literary writing style.

Indicate the nature of the program adjustments, new funding, and/or withdrawals that make possible the implementation of this new course. Evidence must be given of whether the budget support will come from reallocation of existing resources or from new program funds.

Two less sections of IS 350, Introduction to Intelligence, will be offered.

Is approval of this request contingent upon the approval of other course or curricular requests?   ◯ Yes ◉ No
