French Minor (French and Italian)

Department of French and Italian, 248 Cunz Hall, 1841 Millikin Road, Columbus, OH 43210-1229; 614-292-4938; <http://frit.ohio-state.edu/>

The department offers several options in the French minor, which are designed to allow students to choose courses that correspond more closely to their career or personal goals. For example, the culture/film option might be of particular interest to international studies majors, whereas the literature or French studies minor is appealing to students with strong interests in literature as well as those who might be planning to specialize in literary studies in graduate school. The French for professions option allows students with an interest in business to develop a background in French society and business practices. Future teachers will find the culture/film or language/linguistics option particularly useful to their career goals.

The minor consists of 25 credit hours and five possible tracks. No more than 10 hours of credit by examination (EM) and/or transfer credit can be applied to the minor.

Students interested in a minor in French are asked to contact the Department's minor adviser (Diane W. Birckbichler-- [Birckbichler.1@osu.edu](mailto:birckbichler.1@osu.edu)) to discuss their career or personal goals and the minor option that best suits these goals. Students should then file the Minor form with a college/school adviser. Any variation from the programs requires the approval of a faculty adviser in the Department of French and Italian.
