State the need and purpose of the course. Indicate how the course relates to the primary goals of the academic unit/school/college/university.

To provide students with a focused look at the themes of immigration and migration history in the US. The course aims to critically examine these dynamics and challenge some of our most fundamental ideas on this topic. We hope to have students understand im/migration not only from the perspective of natives or "the nation" but from the view of newcomers and their sending nations as well.
