Dear Melissa,

Previously this History 394 request was approved for Group Studies for Winter Quarter 2010, but due to a clerical error, the GEC component of the course was not requested.

The syllabus, GEC statement, and assessment plan have been updated to reflect the desire for GEC status. This is part of a future request for a permanent History 322 course that could not be put through ECA in time for the deadline. If you are able to accommodate our request that History 394 Group Studies have a GEC component for Winter Quarter 2010, we would appreciate it. The particular course is offered on the Newark Campus.

If you have questions, please contact me.

Thank you for considering these requests,

Valarie Williams
Associate Dean
