Rebecca Harvey, Chair
Arts and Sciences Committee on Curriculum and Instruction
Smith Lab
CAMPUS

Dear Rebecca,

The Arts and Humanities Curriculum Committee met on February 8, 2010 and February 17, 2010, provided comments and voted to unanimously endorse the new major proposal for a B.A. in Sexuality Studies. The Major proposal has developed due to the successful Sexuality Studies Minor. Multiple Units within Arts and Humanities have concurred and support the development of the new major program.

With the restructuring of Arts and Sciences, Dean John Roberts determined that the Arts and Humanities Curriculum Committee ought to review the proposal to prepare for the potential inclusion of the major within the Division of Arts and Humanities. We support the proposal fully and we would welcome the inclusion of this major within Arts and Humanities.

If you have questions, please contact me through email at williams.1415 or through phone 2-4063.

Thank you for considering this request,
