☒ A General Elective

State the need and purpose of the course. Indicate how the course relates to the primary goals of the academic unit/school/college/university.

The course will introduce students to queer studies, a growing field of inquiry across universities in the U.S.

Indicate the nature of the program adjustments, new funding, and/or withdrawals that make possible the implementation of this new course. Evidence must be given of whether the budget support will come from reallocation of existing resources or from new program funds.

This course will be taught by faculty in Women's Studies and English whose current research interests correspond closely with the course content. This course will be offered as part of the instructor's regular teaching load and in rotation with other courses in WS and English. The support for this course will come from a reallocation of existing resources.

Is approval of this request contingent upon the approval of other course or curricular requests? ☐ Yes ☒ No
