Dear Randy,

The Arts and Humanities Curriculum Committee met and unanimously approved proposal for Women's Studies 110 and 110H. Both courses combine Women's Studies 101 and 110 content. Historically, 101 fulfilled the GEC Arts and Humanities Cultures and Ideal and Social Diversity Categories. Historically, 110 fulfilled the GEC Social Science Individuals and Groups and Social Diversity Categories. The Department has worked efficiently with the Arts and Humanities CC, and has now been slated for both subcommittee reviews at CCI level on February 25 and March 1. We missed the deadline for the subcommittees by five days, and because of this, we are late in applying for the deadline of February 15, 2010 for Summer and Autumn Quarter course offerings.

We would like to ask that you consider a request for an appeal and let Women's Studies 110 be included for Autumn 2010 listings.

Thank you for considering this request,
