Subject: RE: Feedback on Freshman seminar proposal

Dear Chinwe:

I've attached a revised copy of our syllabus for ASC 137: The Folklore of War and Wartime. I believe that we have addressed all of the issues bulleted below, with one possible exception. It has been and continues to our understanding that letter grades are still "true" grades. Indeed, I combed osu.edu for information to support the committee's request for percentages and found nothing that even suggests as much. If however we are now to assign percentages to, say, writing assignments, please direct our attention to the site or document that addresses this change in grading standards. Other than that, we should be all set.

Best,

Susan
