[State the need and purpose of the course. Indicate how the course relates to the primary goals of the academic](#)

unit/school/college/university.

The Board of Regents recently implemented a Social Work TAG, a sequence of two courses identified as "Introduction to Social Work" and "Introduction to Social Welfare." Social Work 220 has been developed to meet the requirements of the "Introduction to Social Welfare" TAG course.

Indicate the nature of the program adjustments, new funding, and/or withdrawals that make possible the implementation of this new course. Evidence must be given of whether the budget support will come from reallocation of existing resources or from new program funds.

An existing course, Social Work 520, will be eliminated from the major once Social Work 220 is approved.

Is approval of this request contingent upon the approval of other course or curricular requests? Yes No
