Chair, SBS Public Policy Minor Committee

Campus

Dear Don,

I am writing to express my enthusiastic support of the proposed minor in Public Policy: Social and Behavioral Science Perspectives.

The College of Social and Behavioral Sciences is committed to providing funds for the program director and instructor of SBS 591 mentioned in the proposal. In addition, we are committed to providing sufficient advising for students in the minor. If the minor is approved, I will appoint a Faculty Advisory Committee and will ensure that faculty members are selected so that the units offering the most relevant courses are represented.

Best,

Paul A. Beck
Dean

Dear _____

Attached are two files. One is the proposal for a minor in public policy (with the new capstone course SBS 591), the other is a concurrence form.

The concurrence we request is for both the new course and for the minor program. If you have objections or comments that need to be resolved, please inform me as soon as possible. Otherwise, please send your hardcopy concurrence to me at 431 Arps Hall, 1945 N. High St.

You will recall that this proposal was discussed at a SBS Executive Committee meeting. Since then we have incorporated your suggestions for strengthening the proposal and focusing it on SBS perspectives. The syllabi for existing core courses (PS 305 and Econ 532) have been added and the syllabus for the proposed capstone course is attached. We also have included courses that you suggested in the appropriate specializations.

Thank you for your attention to this request. If possible, we'd like a response by April 19 to facilitate timely submission to the SBS Curriculum Committee.
