Subject: Interdisciplinary Minor in Nonprofit Studies
Date: Friday, May 07, 2010 11:02:07 AM
Importance: High

Dear Stephanie Moulton:

The Interdisciplinary Initiatives Subcommittee of the ASC Committee on Curriculum and Instruction met on Friday, April 30, and **approved** the Interdisciplinary Minor in Nonprofit Studies **with contingencies**.

The Subcommittee would like you to make the following changes to the proposal:

- **Page 3: Bus MHR XXX: If course has been created, replace with correct number and provide us with course syllabus. If course is not created, please remove course from the proposal.**
- **Page 3: “* Students may petition to substitute other courses as appropriate”: This sentence could be deleted because advisors substitute courses all the time.**
- **Page 4: “Special topics courses”: Paragraph states: “Students may petition to use courses such as but not limited to the following when the content is relevant.” However, there is no list provided. Maybe adjust the language: “Students may petition to use courses that are relevant. They should check with advising as to the appropriateness of the courses.”**
- **Page 4: Replace “Arts and Sciences Academic Advising Center” with “Arts and Sciences Academic Advising Services” in third paragraph. In the next sentence, replace “re” with a correct word.**

As soon as we get the revised proposal (and the Bus MHR syllabus), I will submit it to the chair of the Interdisciplinary Subcommittee for contingency approval. Once approved, the proposal will go to full CCI. Since our last CCI meeting will be Friday, June 11 (9-11 AM), we are aiming to put the Nonprofit proposal on the agenda for that meeting. You will be invited to discuss the proposed minor at CCI (an e-mail invitation will be sent in due time). Meanwhile, please do not hesitate to contact me should you need clarifications regarding the contingencies listed above.

Best regards,
