Curriculum request from University Libraries

John Merrill <John_Merrill@engadmin.ohio-state.edu>

Mon, Jan 3, 2011 at 12:11 PM

To: Nancy O'Hanlon <ohanlon.1@osu.edu>

Nancy,

Please accept this email as my strong concurrence. We value the development of research skills for a variety of individual as well as team-based projects – not only for course work but for such endeavors as the Denman Undergraduate Research Forum.

John A. Merrill, PhD
Director, First-Year Engineering Program

Engineering Education Innovation Center
