This course offers a GEC experience to undergraduates that informs them about the experiences and contributions of German immigrants to America as represented in literature, historical documents, and other artistic and cultural artifiacts. As a Department of Germanic Languages and Literatures we see this course as particularly relevant to Ohio's students.

Indicate the nature of the program adjustments, new funding, and/or withdrawals that make possible the implementation of this new course. Evidence must be given of whether the budget support will come from reallocation of existing resources or from new program funds.

Please complete and attach the form(s) on the following page before completing the package.
