Subject: Natural Resources Management Minor
Date: Tuesday, March 01, 2011 9:19:05 AM

Dear Jill,

On Friday, February 25, the ASC Committee on Curriculum and Instruction (CCI) reviewed the request to terminate the Natural Resources Management Minor under semesters. Before voting on the item, CCI has requested that the following information be added to the letter of SENR Director, Ron Hendrick:

- Section D (of the letter) should include a statement of how many (ASC) students are currently enrolled and how they will transition into the newly developed minors.

I will return the minor via the electronic system very soon for the unit to make the requested changes.

Best,
Bernadette
