Subject: A&H2 CCI Subcommittee Feedback from 2-3-11
Date: Monday, February 07, 2011 11:11:42 AM

Dear Dr. Newsum,

The Arts & Humanities 2 Subcommittee of CCI, of which I'm chair, met last week to review the programs you forwarded for the Swahili and Somali minors. I am happy to inform you that our subcommittee voted unanimously to send these programs forward with our approval, pending the few corrections that I list below:

For both the Swahili and Somali minor:

Correct the typos in the last section of the advising sheet: "Advance" 4401/4402 should be "Advanced" 4401/4402, and this last section should be section D, not section A.

In section A, AAAS 2301 & 2302 will become 1000-level courses

For the Somali minor:

Change references from Swahili to Somali in section D on page 2 and in the last section of the advising sheet.

Please let me know if you have any questions.

Sincerely,
Mitch Masters
