**Re:** Entrepreneurship Minor Semester Conversion Proposal

The Social, Behavioral, Biological, Mathematical and Physical Sciences Subcommittee of the CCI has now received the revised semester conversion proposal for the Entrepreneurship Minor. The proposal now looks fine except for the fact that the Semester Advising sheet has been included with the track changes feature still visible. The information seems to be there, but the tracking makes it somewhat difficult to read. Could a clean version of that form be added to replace the current one? As soon as we have that, I'll send the proposal forward to the full CCI with a recommendation for approval.

Thanks very much for your patience.

Jim F.
